## PROFIL SINGKAT

---

I am a professional with 5 years of experience in the field of Supply Chain Management Systems Analyst. I am used to analyzing and identifying opportunities, improvements and increasing efficiency in work and collaborating with the Logistics purchasing team and warehouse to achieve performance targets precisely.

I have strong analytical skills and the ability to work well in a team and individually. Apart from that, I have high discipline so I received the best employee award in a multinational company. With a strong background and commitment to good and quality results, I am ready to make a contribution to your company.
